In this first volume of his two-volume autobiography, Wiesel takes us from his childhood memories of a traditional and loving Jewish family in the Romanian village of Sighet through the horrors of Auschwitz and Buchenwald and the years of spiritual struggle, to his emergence as a witness for the Holocaust's martyrs and survivors and for the State of Israel, and as a spokesman for humanity. With 16 pages of black-and-white photographs. "From the abyss of the death camps Wiesel has come as a messenger to mankind--not with a message of hate and revenge, but with one of brotherhood and atonement." --From the citation for the 1986 Nobel Peace Prize

Confronting Dilemmas of Teaching in Urban Schools Twelve

On Yom Kippur eve in 1965, Elie Wiesel found himself in Russia, "in a synagogue crowded with people. The air was stifling. The cantor was chanting . . . Suddenly a mad thought crossed my mind: Something is about to happen; any moment now the Rabbi will wake up, shake himself, pound the pulpit and cry out, shout his pain, his rage, his truth. I felt the tension building up inside me; the wait became unbearable. But nothing happened . . . It was too late. The Rabbi no longer had the strength to imagine himself free." In *Zalmen, or The Madness of God*, Wiesel gives his Rabbi that strength, the courage to voice his oppression and isolation, and the result is a passionate cry. This play illuminates not only the plight of the Soviet Jew, but the anguish of individuals everywhere who must survive—and yet long for something more than mere survival. (Adapted for the stage by Marion Wiesel.)

What Should I Do? is a practical guide to the everyday dilemmas of the urban classroom. It offers a lifeline to both beginning teachers who are struggling to be successful and to the teacher educators who are trying to prepare them for these challenges. The author uses narratives of practice, written by novice teachers, to help readers experience a variety of dilemmas they are likely to encounter in the classroom. By engaging with and analyzing the cases, readers come to see that the "problems" of teaching are actually "dilemmas" that have no clear-cut right or wrong solution, thus reducing the potential for frustration and despair often felt by teachers. This practical resource will empower teachers to transform the unpredictable world of troubled schools into places of learning and hope, for both themselves and their students. As a former teacher said, "I wish I had read this book and realized that I wasn't expected to have all the answers. I would probably still be teaching."

The Night Trilogy Harper Collins

"Wiesel's account of his time in concentration camps during the Holocaust with updated front and back matter to include speeches and essays commemorating his recent death"--*Teaching "Night"* *The Night of Broken Glass* Eyewitness Accounts of Kristallnacht As this concluding volume of his moving and revealing memoirs begins, Elie Wiesel is forty years old, a writer of international

repute. Determined to speak out more actively for both Holocaust survivors and the disenfranchised everywhere, he sets himself a challenge: "I will become militant. I will teach, share, bear witness. I will reveal and try to mitigate the victims' solitude." He makes words his weapon, and in these pages we relive with him his unstinting battles. We see him meet with world leaders and travel to regions ruled by war, dictatorship, racism, and exclusion in order to engage the most pressing issues of the day. We see him in the Soviet Union defending persecuted Jews and dissidents; in South Africa battling apartheid and supporting Mandela's ascension; in Cambodia and in Bosnia, calling on the world to face the atrocities; in refugee camps in Albania and Macedonia as an emissary for President Clinton. He chastises Ronald Reagan for his visit to the German military cemetery at Bitburg. He supports Lech Walesa but challenges some of his views. He confronts Francois Mitterrand over the misrepresentation of his activities in Vichy France. He does battle with Holocaust deniers. He joins tens of thousands of young Austrians demonstrating against renaissance fascism in their country. He receives the Nobel Peace Prize. Through it all, Wiesel remains deeply involved with his beloved Israel, its leaders and its people, and laments its internal conflicts. He recounts the behind-the-scenes events that led to the establishment of the Holocaust Museum in Washington, D.C. He shares the feelings evoked by his return to Auschwitz, by his recollections of Yitzhak Rabin, and by his memories of his own vanished family. This is the magnificent finale of a historic memoir.

This satisfying story explores the powerful impact of our actions on the world around us. When his father takes a new job in Massachusetts, Ben Moroney must leave behind his best friend Tony, a western banded gecko named Lenny, and worst of all, the Arizona desert home he has loved and explored. Ben's adjustment to his new environment is not going well until he unexpectedly finds a kindred spirit in his eccentric fifth-grade science teacher, Mrs. Tibbets. She introduces him to the rare and elusive Eastern spadefoot toads that make their home on her rural property. When Ben discovers that Mrs. Tibbets's land may be sold to developers, he knows he has to do something. As Ben's obsession with saving the spadefoot toads' habitat grows, his schoolwork and his relationships with his family and new friends suffer. But just when it seems

things can't get any worse, Ben finds a way to meet his responsibilities to the people around him and demonstrates the importance of even the smallest efforts to save the earth's rapidly disappearing habitats. With great environmental themes, this appealing middle grade novel comes from renowned storyteller and two-time Grammy Award winner Bill Harley. *Hope Is the Thing with Feathers* Infobase Publishing

Schocken

When the Six-Day War began, Elie Wiesel rushed to Israel. "I went to Jerusalem because I had to go somewhere, I had to leave the present and bring it back to the past. You see, the man who came to Jerusalem then came as a beggar, a madman, not believing his eyes and ears, and above all, his memory." This haunting novel takes place in the days following the Six-Day War. A Holocaust survivor visits the newly reunited city of Jerusalem. At the Western Wall he encounters the beggars and madmen who congregate there every evening, and who force him to confront the ghosts of his past and his ties to the present. Weaving together myth and mystery, parable and paradox, Wiesel bids the reader to join him on a spiritual journey back and forth in time, always returning to Jerusalem.
