 Brenda Louise Romero (née Garno, born October 12, 1966), previously known as Brenda Brathwaite, is an American game designer and developer in the video game industry. She was born in Ogdensburg, New York and is a graduate of Clarkson University. Romero is best known for her work on the Wizardry series of role-playing video games and, more recently, the non-digital series The Mechanic is the ...
 Brenda Romero - Wikipedia
 Game design is the art of applying design and aesthetics to create a game for entertainment or for educational, exercise, or experimental purposes. Increasingly, elements and principles of game design are also applied to other interactions, in the form of gamification.. Game design creates goals, rules and challenges to define a board game, card game, dice game, casino game, role-playing game ...
 Game design - Wikipedia
 Start your game design journey by reading the best of the best in game design books. We ranked and review the books about game design that we believe will be of most help to beginner and intermediate game designers and developers. (All available on Amazon) Also, check your local library :)

 The Art & Business of Making Games. Video game industry news, developer blogs, and features delivered daily
 Gamasutra - The Art & Business of Making Games
 For

students interested in studying video game design there is perhaps no better place to attend university than in the state of California. This west coast territory is home to some of the largest gaming and entertainment companies in the entire world.. Combine this with the plethora of world-class video game design schools sprinkled throughout the state and you'll quickly realize why ...
 15 Accredited Game Development Programs in California
 Interaction design has its origins in web and graphic design, but has grown into a realm of its own. Far from merely working with text and pictures, interaction designers are now responsible for creating every element on the screen that a user might swipe, click, tap, or type: in short, the interactions of an experience.
