A Krinar Exposé Prologue Dreamspinner Press LLC

For ten long years, I stayed away to protect her. I thought I'd successfully subverted my wolf's instincts where Bethany was concerned. But when I saw her on that dance floor, my inner beast took over. I told myself it would be just one dance. One dance and I'd let her go. I didn't mean to bite her. Or f*ck her in the middle of a crowded dance club. Or kidnap her, again.

A dark and edgy romance that will appeal to fans of erotic and turbulent relationships . . . In the near future, the Krinar rule the Earth. An advanced race from another galaxy, they are still a mystery to us - and we are completely at their mercy. Shy and innocent, Mia Stalis is a college student in New York City who has led a very normal life. Like most people, she's never had any interactions with the invaders - until one fateful day in the park changes everything. Having caught Korum's eye, she must now contend with a powerful, dangerously seductive Krinar who wants to possess her and will stop at nothing to make her his own. How far would you go to regain your freedom? How much would you sacrifice to help your people? What choice will you make when you begin to fall for your enemy? **WARNING:** This book contains strong sexual content and explicit language and is not suitable for readers under 18.

A new standalone romance from the New York Times bestselling author of *Twist Me* and *The Krinar Chronicles* Emily Ross never expected to survive her deadly fall in the Costa Rican jungle, and she certainly never thought she'd wake up in a strangely futuristic dwelling, held captive by the most beautiful man she'd ever seen. A man who seems to be more than human... Zaron is on Earth to facilitate the Krinar invasion—and to forget the terrible tragedy that ripped apart his life. Yet when he finds the broken body of a human girl, everything changes. For the first time in years, he feels something more than rage and grief, and Emily is the reason for that. Letting her go would compromise his mission, but keeping her could destroy him all over again. **NOTE:** This is a full-length, standalone romance that takes place approximately five years before *The Krinar Chronicles* trilogy (aka Mia & Korum's story). You do not have to have read that trilogy to enjoy this book.

What happens in an alien sex club stays in an alien sex club, right? Well... not if you pen an exposé on the place. And certainly not if you omit the fact that the experiences in the article are your own. Or if the Krinar you've hooked up with is the club's owner, whose many kinks involve blackmail and mind games. For a young journalist out to prove herself, it's all about landing the next big story. Until it becomes all about landing in a possessive alien's penthouse bed. **NOTE:** This full-length novel combines two previously published works—*The X-Club*, a short story by Anna Zaires, and *Vair*, the sequel written by Hettie Ivers. It also contains an all-new, expanded ending and an epilogue featuring Mia & Korum.

For fans of NYT bestselling authors Anna Zaires and Patricia Briggs, *Alpha Ties* is a dark and gritty M/F Omegaverse novel with a darkly possessive hero and scorchingly steamy romance. I'm his mate. I'm his weakness. A girl going into heat in the middle of a press conference, surrounded by Alpha politicians who didn't plan to show the world their true, volatile nature? Causes a bit of mayhem. Being the girl whose first heat made every mayoral candidate go into a rut on national television...? I thought the utter humiliation sucked—that losing my job for something out of my control was as awful as it got. I was wrong. He came from the shadows. Told me I belong to him. And then... Then he showed me exactly what that means. But powerful as my Alpha suitor is, his ruthless possessiveness might be the ruin of us both. I am not a trinket. I am not a thing to own. And I will never surrender. *Alpha* is the first book in Nora Ash's suspense-filled Omegaverse series, *Alpha Ties*. Each book is a full-length novel with a complete romance storyline. **PLEASE NOTE: THIS BOOK IS THE**

One moment, we're strolling through Central Park, and the next, a mysterious, mouthwateringly hot stranger is demanding I get my Chihuahua tested for STDs. Since he turns out to be the key to getting my newest business venture funded, I guess I'll do it. It has nothing to do with wanting to see him again. And again. And maybe one more time... *Hard Byte* In the cerulean, fantasy-inducing eyes of my new Russian boss, Alex Chortsky (a.k.a. the Devil), "project integration" means turning my life's work into a high-tech "toy." One fake date in exchange for his help on my project—what could possibly go wrong?
