Z for Zachariah Penguin

A collection of a 20-something's somewhat rowdy stories and thoughts on life, but mostly just making fun of herself. It's a first-hand account on living with yourself and the ups and downs that come along with life. Of course if it's any good it's gotta be a classic coming-of-age novel that really, really, really wants to be the next American classic. It's all of the above and anything you want it to be, just please, don't take it too seriously.

How many times have you heard readers argue about which is better, *Jane Eyre* or *Wuthering Heights*? The works of Charlotte,

Emily, and Anne continue to provoke passionate fandom over a century after their deaths. Brontë enthusiasts, as well as those of us who never made it further than those oft-cited classics, will devour Miranda Pennington's delightful literary memoir.

Pennington, today a writer and teacher in New York, was a precocious reader. Her father gave her *Jane Eyre* at the age of 10, sparking what would become a lifelong devotion and multiple re-readings. She began to delve into the work and lives of the Brontës, finding that the sisters were at times her lifeline, her sounding board, even her closest friends. In this charming, offbeat memoir, Pennington traces the development of the Brontës as women, as sisters, and as writers, as she recounts her own struggles to fit in as a bookish, introverted, bisexual woman. In the Brontës and their characters, Pennington finally finds the heroines she needs, and she becomes obsessed with their wisdom, courage, and fearlessness. Her obsession makes for an entirely absorbing and unique read. *A Girl Walks Into a Book* is a candid and emotional love affair that braids criticism, biography and literature into a quest that helps us understand the place of literature in our lives; how it affects and inspires us.

A sexy, passionate, utterly addictive standalone MM romance from #1 NYT Bestseller Lauren Blakely! Every bartender should follow one simple rule—don't go home with the customers. That's been easy for me to stick to, until the night a cocky, confident, and sinfully charming hockey star walks into my bar. This sexy athlete is too hard to resist, especially when he makes it clear how much he wants the "sarcastic, witty, hot AF" guy behind the bar—also known as me. Still, I'm not keen on breaking my own rules since I know where that can lead—no place good. But when that man makes his case with one bone-searing kiss on the streets of London, I throw resistance out the window. What could go wrong with a hot, dirty, no-strings-attached fling before he leaves town in five days? Trouble is, soon our nights together lead to days, to long conversations, to getting to know each other, and to something I never expected—falling ridiculously hard for a man who's getting on a plane to America when I live a world away. My life is here. His is there. And no amount of falling or feeling will change that one big problem. Warning: contains hot hotel nights, loads of dirty talk, PDA all over London, and two sexy, witty, charming alpha heroes... *A Guy Walks Into My Bar* is a sexy MM standalone romance in *The Guys Who Got Away* world! The other standalone romances in *The Guys Who Got Away* series include the MF romances *The What If Guy*, *The Dream Guy Next Door*, and *Thanks For Last Night*.
