Shambhala Publications

A Book of the Month Club's Crafter's Choice! Cross-stitch is a traditional hobby — but your designs don't have to be! These more than 130 patterns reflect a modern sensibility, with motifs ranging from trendy to vintage to kitschy, so there's something here for everyone. All are designed to fit into a 6-inch or smaller embroidery hoop, making them quick projects that can be finished in an evening or weekend. If you're feeling ambitious, the small designs can be assembled to form a larger piece. Patterns are organized according to theme: animals; designs, including flowers and snowflakes; home and hearth, consisting of more than 40 patterns that range from a patchwork heart and an antique sewing machine to teapots, a watering can, and variations on "home sweet home"; nature; and charming patterns for special occasions. A brief introductory section offers advice on getting started, tools and supplies, and stitching. "A treat! Cross-stitchers will love this book." — Christian Fiction and More

Love in the Time of Cholera (Illustrated Edition) University of New Orleans Press
 Thirty different geometric patterns include lattices, zigzags, optical illusions, and other eye-catchers. Color all or just parts of these crisp black-and-white designs to create spectacular effects.
 300 Botanical Embroidery Motifs & Designs to Stitch University of Texas Press
 This sumptuous, inspiring hardback book, written by needlework expert Trish Burr and created in association with The Royal Botanic Gardens, Kew, is the ultimate guide to embroidering flowers. Focusing mainly on long-and-short stitch and Trish's delicate, considered use of silk shading, the book contains all the stitches needed, clearly illustrated, and gives thorough advice on preparation and choosing fabrics and threads - including a handy thread conversion chart. The embroideries are reworkings of botanical artworks from Kew's Art Collection. There is one 'starter' project to encourage readers to try out the techniques, one large sampler containing eighteen small elements that can be worked individually or as a group, and nine further projects, including a striking spider chrysanthemum, an elegant waterlily and an opulent magnolia. All the projects are shown step by step, with an order of work diagram given where appropriate. The templates are included at full size at the back of the book.

The Embroidery Stitch Bible Simon and Schuster
 The romance between Tessa and Harry continues as forces try to tear them apart. By the author of *After Ever Happy* and *After We Fell*. Original.
A South American Romance Graphic Arts Books
 More than 100 stained glass projects using all the well-known themes of Art Nouveau: swirling forms, florals, peacocks, and sensuous women. Sourcebook for use or for inspiration. 104 projects on 60 plates.

The Boy Who Was Raised as a Dog Dover Publications
 Set on the Caribbean coast of South America, this love story brings together Fermina Daza, her distinguished husband, and a man who has secretly loved her for more than fifty years.
A Novel Candlewick Press
 From dandelions and violets to mushrooms and autumn leaves, this collection of embroidery motifs is inspired by nature walks. Inspired by the wonder and beauty of the natural world, the embroidery motifs offered here evoke wildflower meadows and woodland walks. With lifelike yet whimsical plants and flowers, as well as mushrooms, leaves, trees, and birds, the flora and fauna presented here offer a delightful and beautiful range of motifs drawn from nature. Featuring beautiful photographs, clear step-by-step instructions, and detailed diagrams, this book will be an inspiring guide for those new to embroidery and a fresh and unique offering for those experienced with needle and thread.
Religious Entanglements in the Americas NYU Press

A long-awaited English translation of the groundbreaking oral history of women in World War II across Europe and Russia—from the winner of the Nobel Prize in Literature NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • The Guardian • NPR • The Economist • Milwaukee Journal Sentinel • Kirkus Reviews For more than three decades, Svetlana Alexievich has been the memory and conscience of the twentieth century. When the Swedish Academy awarded her the Nobel Prize, it cited her invention of “a new kind of literary genre,” describing her work as “a history of emotions . . . a history of the soul.” In *The Unwomanly Face of War*, Alexievich chronicles the experiences of the Soviet women who fought on the front lines, on the home front, and in the occupied territories. These women—more than a million in total—were nurses and doctors, pilots, tank drivers, machine-gunners, and snipers. They battled alongside men, and yet, after the victory, their efforts and sacrifices were forgotten. Alexievich traveled thousands of miles and visited more than a hundred towns to record these women’s stories. Together, this symphony of voices reveals a different aspect of the war—the everyday details of life in combat left out of the official histories. Translated by the renowned Richard Pevear and Larissa Volokhonsky, *The Unwomanly Face of War* is a powerful and poignant account of the central conflict of the twentieth century, a kaleidoscopic portrait of the human side of war. THE WINNER OF THE NOBEL PRIZE IN LITERATURE “for her polyphonic writings, a monument to suffering and courage in our time.” “A landmark.”—Timothy Snyder, author of *On Tyranny: Twenty Lessons from the Twentieth Century* “An astonishing book, harrowing and life-affirming . . . It deserves the widest possible readership.”—Paula Hawkins, author of *The Girl on the Train* “Alexievich has gained probably the world’s deepest, most eloquent understanding of the post-Soviet condition. . . . [She] has consistently chronicled that which has been intentionally forgotten.”—Masha Gessen, National Book Award-winning author of *The Future Is History*

The Unwomanly Face of War Library of Alexandria
 AN INSTANT NEW YORK TIMES BESTSELLER Shari Lapena’s new thriller, *AN UNWANTED GUEST*, is available now! “The twists come as fast [as] you can turn the pages.” —People “Provocative and shocking.” —Lisa Gardner, New York Times bestselling author of *Find Her* “I read this novel at one sitting, absolutely riveted by the storyline. The suspense was beautifully rendered and unrelenting!” —Sue Grafton, New York Times bestselling author of *X* It all started at a dinner party. . . A domestic suspense debut about a young couple and their apparently friendly neighbors—a twisty, rollercoaster ride of lies, betrayal, and the secrets between husbands and wives. . . Anne and Marco Conti seem to have it all—a loving relationship, a wonderful home, and their beautiful baby, Cora. But one night, when they are at a dinner party next door, a terrible crime is committed. Suspicion immediately lands on the parents. But the truth is a much more complicated story. Inside the curtained house, an unsettling account of what actually happened unfolds. Detective Rasbach knows that the panicked couple is hiding something. Both Anne and Marco soon discover that the other is keeping secrets, secrets they've kept for years. What follows is the nerve-racking unraveling of a family—a chilling tale of deception, duplicity, and unfaithfulness that will keep you breathless until the final shocking twist.

Tapping into the Power of Love Gildan Media LLC aka G&D Media
 Brimming with over 300 botanical motifs, this wonderful resource will provide inspiration and instructions for embroidery artists and flower ladies everywhere. This collection features designs including flowers, ferns, succulents, leaves, bees and garden scenes. The books includes basic embroidery instruction for stitches and transferring designs onto fabric. Original designs and clear instructions make this book a must have for any embroidery enthusiast's library.
The House of the Spirits Courier Corporation
 Geralt is a witcher, a man whose magic powers, enhanced by long training and a mysterious elixir, have made him a brilliant fighter and a merciless assassin. Yet he is no ordinary murderer: his targets are the multifarious monsters and vile fiends that ravage the land and attack the innocent. He roams the country seeking assignments, but gradually comes to realise that while some of his

quarry are unremittingly vile, vicious grotesques, others are the victims of sin, evil or simple naivety. One reviewer said: 'This book is a sheer delight. It is beautifully written, full of vitality and endlessly inventive: its format, with half a dozen episodes and intervening rest periods for both the hero and the reader, allows for a huge range of characters, scenarios and action. It's thought-provoking without being in the least dogmatic, witty without descending to farce and packed with sword fights without being derivative. The dialogue sparkles; characters morph almost imperceptibly from semi-cliche to completely original; nothing is as it first seems. Sapkowski succeeds in seamlessly welding familiar ideas, unique settings and delicious twists of originality: his Beauty wants to rip the throat out of a sensitive Beast; his Snow White seeks vengeance on all and sundry, his elves are embittered and vindictive. It's easily one of the best things I've read in ages.'

The 5AM Club Spectra

On Murder Considered as one of the Fine Arts is an essay by Thomas De Quincey. A fictional account of a report made to a gentleman's club regarding the visual appreciation of murder. For friends of satire!

Over 200 Stitches Photographed with Easy-To-Follow Charts Gollancz

A subtle and enlightening novel about a neglected human rights pioneer by the Nobel Laureate Mario Vargas Llosa. In 1916, the Irish nationalist Roger Casement was hanged by the British government for treason. Casement had dedicated his extraordinary life to improving the plight of oppressed peoples around the world—especially the native populations in the Belgian Congo and the Amazon—but when he dared to draw a parallel between the injustices he witnessed in African and American colonies and those committed by the British in Northern Ireland, he became involved in a cause that led to his imprisonment and execution. Ultimately, the scandals surrounding Casement's trial and eventual hanging tainted his image to such a degree that his pioneering human rights work wasn't fully reexamined until the 1960s. In *The Dream of the Celt*, Mario Vargas Llosa, who has long been regarded as one of Latin America's most vibrant, provocative, and necessary literary voices—a fact confirmed when he was awarded the Nobel Prize in Literature in 2010—brings this complex character to life as no other writer can. A masterful work, sharply translated by Edith Grossman, *The Dream of the Celt* tackles a controversial man whose story has long been neglected, and, in so doing, pushes at the boundaries of the historical novel.

Short Stories 1: Introducing the Witcher Random House Trade Paperbacks

[In this book, the author's] analysis of the effects and causes of capitalist underdevelopment in Latin America present [an] account of ... Latin American history. [The author] shows how foreign companies reaped huge profits through their operations in Latin America. He explains the politics of the Latin American bourgeoisies and their subservience to foreign powers, and how they interacted to create increasingly unequal capitalist societies in Latin America.-Back cover.

Whimsical Cross-Stitch Anchor

One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the

tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

Metamorphosis Good Press

In Many Lives, Many Masters, Brian Weiss opened an unexpected door into the astonishing realm of past-life regression. Now he reveals the miraculous potential of love. You'll hear the intimate and startling testimonies of real people who express a profound but simple truth—one that comes from the eternal souls around us. You'll discover what happens to us after we die, strategies for fighting anxiety and healing relationships, and the role of God and self-determination. You'll explore exercises and meditations to tap into the power of love and utterly transform your life. The Messages from the Masters are here. Are you ready for them?

An Oral History of Women in World War II Basic Books

Franz Kafka, the author has very nicely narrated the story of Gregou Samsa who wakes up one day to discover that he has metamorphosed into a bug. The book concerns itself with the themes of alienation and existentialism. The author has written many important stories, including 'The Judgement', and much of his novels 'Amerika', 'The Castle', 'The Hunger Artist'. Many of his stories were published during his lifetime but many were not. Over the course of the 1920s and 30s Kafka's works were published and translated instantly becoming landmarks of twentieth-century literature. Ironically, the story ends on an optimistic note, as the family puts itself back together. The style of the book epitomizes Kafka's writing. Kafka very interestingly, used to present an impossible situation, such as a man's transformation into an insect, and develop the story from there with perfect realism and intense attention to detail. The *Metamorphosis* is an autobiographical piece of writing, and we find that parts of the story reflect Kafka's own life.

Myths and Stories of the Wild Woman Archetype Quarry Books

Ben Mears has returned to Jerusalem's Lot in hopes that exploring the history of the Marsten House, an old mansion long the subject of rumor and speculation, will help him cast out his personal devils and provide inspiration for his new book. But when two young boys venture into the woods, and only one returns alive, Mears begins to realize that something sinister is at work—in fact, his hometown is under siege from forces of darkness far beyond his imagination. And only he, with a small group of allies, can hope to contain the evil that is growing within the borders of this small New England town. With this, his second novel, Stephen King established himself as an indisputable master of American horror, able to transform the old conceits of the genre into something fresh and all the more frightening for taking place in a familiar, idyllic locale.

On Murder Considered as one of the Fine Arts Hyweb Technology Co. Ltd.

This lyric portrait of life—and the little donkey, Platero—in a remote Andalusian village is the masterpiece of Juan Ramón Jiménez, the Spanish poet awarded the 1956 Nobel Prize for Literature.
