*The Essential Guide for
Small Group Leaders*

Abingdon Press

Like nothing else, small groups have the power to change lives. They are the ideal route to discipleship—a place where the rubber of biblical truth meets the road of human relationships. However, church leaders often feel at a loss when it comes to assessing the strengths and weaknesses of group life in a church, and they struggle with understanding and solving the root causes of problems. Group Life resources provide in this ebook the practical

tools and training resources needed to develop life-changing small group leaders, coaches to shepherd group leaders, and ultimately, a thriving church-wide small group ministry. These resources include the updated and revised versions of the best-selling *Leading Life-Changing Small Groups* and *Coaching Life-Changing Small Group Leaders*, the new *Building a Life-Changing Small Group Ministry* and the supplemental *Group Life Training DVD*. Appropriate for individual or group study, the books function as manuals and workbooks that teach and allow readers to process and record information as they learn. Downloadable web-

based vision clips and supplemental videos in the DVD help readers explore and discuss topics further. Group Life Resources conveniently integrate with the ReGroup™ curriculum, giving trainers the option to use them together. Church leaders can use the revised edition of Bill Donahue and Greg Bowman's Coaching Life-Changing Small Group Leaders participant's guide and the supplemental DVD and vision clips to prepare small group coaches to nurture and develop small group leaders. The guide functions as a manual and workbook that allows trainees to process and record information as they learn. Trainers can use the materials during group or individual

sessions.

Coaching Life-Changing Small Group Leaders

InterVarsity Press
Based on the authors' experience consulting with over 200 churches and teaching church leaders, this guide addresses seven "obstacles" in small-group ministry and proposes solutions and "next steps" for church leaders to take to overcome their deficiencies.

Cómo liderar grupos pequeños que transforman vidas

InterVarsity Press
What images come to mind when you hear the name "Jesus"? Religious icon? Mystical guru? Maybe he's the figure in the stained-glass window at church, or in the painting hanging in the hallway of your

grandmother's house. Bill Donahue spent years asking these questions, and the Jesus he eventually met was not merely an ancient sage but the living, breathing Son of God. He found himself captivated by Jesus' teaching, embraced by his love and disarmed by his grace. And so in this book, the author brings to life the many facets of who Jesus is and what his work in the world is all about. Written in forty brief segments with opportunities for personal reflection and dialogue with God, *In the Company of Jesus* makes ideal daily reading. This book is a companion to the Jesus 101 series and elaborates on the ideas found in those studies. This winsome approach to Jesus will expand

your ideas about who he is and draw you into his very presence. Whether you are meeting Jesus for the first time or you've known him for many years, you'll find new insights from time spent in the company of Jesus.

Compassionate Healer
Zondervan

Bill Donahue offers you a glimpse of how Jesus expresses his love for you, and how Jesus loves you no matter what. Through this guide, discover and understand how amazing the love of Jesus truly is. *A Willow Creek Resource.*

Small Group and Team Communication

Because teaching is at the heart of Christian ministry, the editors of *Invitation to Educational Ministry*

have assembled a team of seasoned experts to present a comprehensive plan of Christian education. This volume will help church staff, parachurch leaders, and small-group teachers become more effective, influential, and creative. After laying a biblical and practical foundation for Christian education, the contributors provide specific guidance on teaching a variety of individuals and groups, including children, adults, singles, seniors, and non-Christians. The final section shares valuable insights on leading small groups, teaching innovatively, and overseeing a healthy educational ministry, among other topics. Each chapter is designed to equip

educators with the most relevant information, and includes many useful features:

- Real-life case studies
- Scriptural support
- Explanations of key terms and concepts
- Practical suggestions
- Resources for additional study
- Sidebars illustrating best principles and practices

The Hope of Easter
InterVarsity Press

This book will help anyone and everyone determine the necessary changes they need to make in essential areas of their lives. You will make progress and be able to change using these weekly check-ins. Make it a habit to assess your life and set goals. Then, share with others for accountability. Change is possible.

**Building a Life-
Changing Small
Group Ministry**

Zondervan

Your small group can do what Jesus' did: Change the World! This book is designed for anyone who hosts, facilitates, or leads a group, whether you've just started or need a refresher. You'll learn more than how to facilitate a great meeting, however. Michael C. Mack shares what makes a GREAT small group, and it all starts with the heart traits of the leader. "To equip ordinary people to courageously lead extraordinary small groups." This is the mission of Michael C. Mack and his ministry, Small Group Leadership (www.smallgroupleadership.com). Mike has

written profusely about discipleship, community, and mission for more than 25 years in small group ministry. He founded SmallGroups.com in 1995 and has served as a small group point leader in several churches across the U.S.

In Matthew 28:18-20 Jesus makes the mission of the church abundantly clear: "Go therefore and make disciples of all the nations . . ." But how do you reach a twenty-first-century society filled with diverse backgrounds and varying levels of religious interest? And how can you expect to grow the body of Christ when only half of your own congregation

regularly attends services? The answer may be simpler than you think: involve and empower the laity in small group ministry. Kurt W. Johnson not only provides the tools for organizing and leading successful small groups, but also explores the biblical and historical foundations for small group ministry. In this practical guide Johnson illustrates the proven effectiveness that small groups have for both nurturing the spirituality of current church members and leading friends, neighbors, coworkers, and others to a saving relationship with Christ. Do you want to fulfill Jesus' Great Commission? Discover how you and your church can c

Authentic Leader

InterVarsity Press Jesus' strategy for victory was countercultural. The Bible describes him as a conquering hero--but a hero who had to die first. In our world, conquering heroes achieve victory by force, not submission; with power, not weakness; with superior weapons and troops, not alone and empty-handed. Jesus conquered through weakness, submission and death. Jesus is the Supreme Conqueror, and in the pages of this guide by Bill Donahue, you can explore the results of Jesus' victory for yourself. The Jesus 101 Series engages both mind and heart. The sessions bring a fresh perspective on who Jesus is, how he interacted with people in Scripture and how

he relates to us. The discussion questions are designed particularly to help a group to learn from each other but also provide an interesting context for individual reflection. As you discover the ways Jesus fulfills our lives, you may fall in love with him again--or for the first time.

Coaching Life-changing Small Group Leaders
Review and Herald Pub Assoc

Godly thriving leaders are precious and valuable, but developing those leaders is not easy. Many leaders feel stuck, tired and frustrated in their growth and calling. This can change. In *Mining for Gold*, pastor and master-coach, Tom Camacho, offers a fresh perspective on

how to draw out the best in ourselves and in those around us. Cutting through the complexity and challenges of leadership development, he gives us practical and effective tools to help leaders grow personally and develop those around them. Coaching, through the power of the Holy Spirit, provides the clarity and momentum we need to grow. When we get clarity, everything changes. Coaching helps us better understand our identity in Christ, our God-given wiring, and how we naturally bear the most fruit. There is gold in God's people, waiting to be discovered. Let's learn to draw out that treasure and help others flourish in their

life and leadership.

Coaching Life-
Changing Small Group
Leaders Zondervan

A complete overhaul of Building a Church of Small Groups, in Building a Life-Changing Small Group Ministry authors Bill Donahue and Russ Robinson present a broad introduction for pastors and point leaders to use as they navigate through the process of establishing and developing independent groups or a church-wide ministry of small groups.

Provocative Teacher
InterVarsity Press

According to Donahue and Robinson, small groups cannot thrive by focusing on either end of the continuum-- they must walk the center, holding both ends in healthy tension and charting a course

that develops authentic community and facilitates life change.

*Successful Small
Groups* Harvard
Business Press

This book provides pastors and church leaders with the vision, values, and initial steps necessary to begin building a church where small groups are integrated throughout the entire ministry.

Making Your Small
Group Work
Participant's Guide

Kogan Page Publishers
Coaching is rapidly proving to be an invaluable aid to personal development and a successful way to enhance performance within organizations of all types. More and more people are also discovering how to use storytelling to bring

about change and reinforce learning. Tales for Coaching combines these two approaches into a powerful and effective technique to assist personal change. Showing you how and when to use stories to maximum effect, whether you are coaching an individual or a group, the author demonstrates how your coaching can have greater impact with the effective use of storytelling. Complete with sample stories that can be read aloud in a variety of coaching situations, Tales for Coaching includes 50 tales that will immediately help coaches, trainers, managers and educators to reinforce key messages or stimulate fresh thinking.

El manual de grupos pequeños que ha sido un éxito de librería... con más de 100.000 ejemplares vendidos.
AHORA ACTUALIZADO. Como ninguna otra cosa, los grupos pequeños tienen el poder de cambiar vidas. Son la ruta ideal al discipulado; un lugar donde el caucho de la verdad bíblica se encuentra con el pavimento de las relaciones personales. Durante seis años Bill Donahue proveyó capacitación y recursos para los líderes de los grupos pequeños, de modo que la iglesia Willow Creek pudiera desarrollarse hasta llegar a ser una iglesia de grupos pequeños.

Ahora está dedicado a producir herramientas que ayudarán a los líderes de la iglesia a perseguir el mismo objetivo: proveer un lugar en la comunidad para toda persona de su congregación. En *Liderando cambios de vida*, Donahue y su equipo presentan de un modo profundo las nociones prácticas que han hecho tan eficaz el ministerio de grupos pequeños en Willow Creek. Una guía de referencia comprensiva y lista para los líderes de grupos pequeños. El formato singular y con referencias listas de este libro le da a los líderes de grupos pequeños, pastores, líderes iglesia, educadores y asesores una noción práctica de:

- La formación del grupo y los valores

Los requisitos y responsabilidades del liderazgo

- La filosofía y la estructura de los grupos pequeños
- La preparación y la participación en las reuniones
- El discipulado dentro del grupo
- La capacitación del liderazgo... y mucho más.

Liderando cambios de vida le ofrece, tanto a un grupo individual como a todo un ministerio de grupos pequeños, la dirección comprensiva que necesita para cultivar grupos pequeños que cambian la vida... así como fructíferos seguidores de Cristo.

Building a Life-Changing Small Group Ministry
Inter-Varsity Press

Much of contemporary communication occurs between and among small groups, whether

in person in a work setting or on the Internet via email, Facebook, or instant messages. How we engage in our small-group communication in each medium matters. To be effective we have to consider our group roles, norms, cohesion, process, and phases of development, as well as our personal verbal and nonverbal communication and listening styles. To succeed as a member of a team, we need to consider the limits of our personal experience and perspective, recognize the creative strength of diverse perspectives in decision making and problem solving, develop our conflict-management skills, and strengthen our leadership skills. To be

successful necessitates an understanding of group process, participation style, ethical group behavior, and the influences of the medium. Small Group and Team Communication explores all these different interconnections and the communication strategies we use in our work and social groups. The authors use the systems perspective as their core approach throughout the text, treating small groups as complex open systems reliant upon communication to achieve success. Many chapters highlight the importance of considering ethics and diversity in relation to a variety of topics. Harris and Sherblom address the growing

influence of computer-mediated communication to this discipline. Real-world, applied examples show students that what they're learning aren't simply abstract concepts, but knowledge that will serve them outside the classroom.

Living in God's Power
Groups That Grow

Like nothing else, small groups have the power to change lives. They are the ideal route to discipleship—a place where the rubber of biblical truth meets the road of human relationships. However, church leaders often feel at a loss when it comes to assessing the strengths and weaknesses of group life in a church, and they struggle with understanding and solving the root causes

of problems. Group Life resources provide in ebook format the practical tools and training resources needed to develop life-changing small group leaders, coaches to shepherd group leaders, and ultimately, a thriving church-wide small group ministry.

These resources include the updated and revised versions of the best-selling *Leading Life-Changing Small Groups* and *Coaching Life-Changing Small Group Leaders*, the new *Building a Life-Changing Small Group Ministry* and the supplemental *Group Life Training DVD*.

Appropriate for individual or group study, the books function as manuals and workbooks that teach and allow

readers to process and record information as they learn.

Downloadable web-based vision clips and supplemental videos in the DVD help readers explore and discuss topics further. Group Life Resources conveniently integrate with the ReGroup™ curriculum, giving trainers the option to use them together. The updated and revised third edition of Bill Donahue's best-selling *Leading Life-Changing Small Groups* will help church leaders prepare small group leaders who can successfully facilitate gatherings and shepherd group participants.

Truthful Revealer
Zondervan

This book is for leaders who want to know the nuts and bolts of starting or growing a

life changing small group ministry from the ground floor.

Tales for Coaching

Kregel Publications

Small groups transform churches---and lives.

Small group leaders often feel the weight of shepherding their members. But who shepherds the shepherd? Small group coaches fill a unique role by providing support and guidance for group leaders.

Coaching Life-Changing Small Group Leaders is essential reading for those who want to develop and equip leaders with excellence and truly help small group leaders thrive.

Ignite HarperChristian Resources

Easter is exciting. We build up to it for weeks. We schedule family gatherings around it.

We dress up for it. We celebrate Easter because it signals new life, new hope. In this little book, you'll find the source of that new life, Jesus, extending to us the hope of Easter. You'll see that on the

far side of Easter is a freedom that exceeds our expectations. And you'll discover that the source of that freedom is an act of extreme forgiveness that has the power to change everything.
