About The Author Grace Jolliffe's first novel, *Piggy Monk Square*, was shortlisted for the Commonwealth New Writers Prize and broadcast on RTE's Book on One. Her writing is published in literary magazines as well as broadcast on TV and radio. Grace used to teach scriptwriting and creative writing to keep her in teabags and electricity. Following a serious accident, she gave up teaching and now shares her knowledge on her writer's website: [www.practicalcreativewriting.com](http://www.practicalcreativewriting.com) Now very much recovered, Grace lives on Galway's Wild Atlantic Way surrounded by rocks, stones and roads to nowhere.

Learn to Read Latin helps students acquire an ability to read and appreciate the great works of Latin literature as quickly as possible. It not only presents basic Latin morphology and syntax with clear explanations and examples but also offers direct access to unabridged passages drawn from a wide variety of Latin texts. As beginning students learn basic forms and grammar, they also gain familiarity with patterns of Latin word order and other features of style. Learn to Read Latin is designed to be comprehensive and requires no supplementary materials. Explains English grammar points and provides drills especially for today's students. Offers sections on Latin metrics. Includes numerous unaltered examples of ancient Latin prose and poetry. Incorporates selections by authors such as Caesar, Cicero, Sallust, Catullus, Vergil, and Ovid, presented chronologically with introductions to each author and work. Offers a comprehensive workbook that provides drills and homework assignments. This enlarged second edition improves upon an already strong foundation by streamlining grammatical explanations, increasing the number of syntax and morphology drills, and offering additional short and longer readings in Latin prose and poetry.

"Outstanding. A great entry point for the developer and investor." - Brian Calle, Orange County Register "Combines the experience of the authors to give a unique perspective on the important EB-5 program which drives capital formation and jobs across our country." - Congressman Jared Polis Whether you are a foreign investor seeking a United States green card or a domestic developer sourcing capital for your latest project, the United States EB-5 visa program offers unique opportunity. In an industry known to be difficult to understand, *The EB-5 Handbook* breaks down the EB-5 program into its simple basics- investment, economic growth, and green cards. In *The EB-5 Handbook*, investors and developers alike will learn the essentials of the program, the benefits it can offer, and how to get started on their EB-5 journey with sections uniquely tailored to each party. Ali Jahangiri of EB5 Investors Magazine has brought together an all-star team of experts from nearly every segment of the industry. The authors - Jeff Campion, Linda He, David Hirson, Linda Lau, Dawn Lurie, Joseph McCarthy, Al Rattan, Reid Thomas, John Tishler, Kyle Walker, and Kevin Wright - and the editors - Elizabeth Peng and Cletus Weber - all have an established history of success working with EB-5 investors and developers. *The EB-5*

*Handbook* is the first book of its kind to bring together such a diverse group of authors to increase transparency and knowledge of the EB-5 program.

*A Spectacular Enhancement to the Skill System Mythic Skills* introduces a system of skill exploits that take the basic tasks your skills allow you to perform and dial them up to amazing levels. In addition, every skill in the Pathfinder Roleplaying Game Core Rulebook also gets brand-new skill exploits, as well as greater exploits that only the most skilled masters would even attempt. This book contains rules for using these enhanced skills with mythic characters but also provides an alternative system for use in non-mythic Pathfinder campaigns! This system allows your characters to focus on their skills as a key part of their character construction and to invest more of their character's abilities in their character itself, rather than the character's gear or magical tools. You can use these rules generally with mythic characters, allowing them to attempt all manner of skill-based exploits, or you can limit the ability to pull off these amazing skill stunts to those mythic characters that have really invested in making their skills a key part of their character's identity. The mythic rules offer an opportunity to magnify what makes a character special, and the skills they choose to hone as part of their background narrative and throughout the course of the campaign should be just as important in defining them as their marvelous magic and fabulous feats. With *Mythic Skills* in your hands, your skills will be just as spectacular!"
