This collection of female nudes spans Renaissance painting and contemporary 21st-century photography. Starbuck explains how the natural culture of men and women discovers beauty through the nude female form, but the culture of patriarchal and institutional leadership that is foisted upon us prohibits art and nudity. It is only through finding loopholes to the oppression that art and beauty have survived.

Diana--The Last Word Blurb

"Nearly every page has some crack piece of travel wisdom ... an accessible, inspiring journey." - Kirkus The Sell-Your-House, See-the-World Life! Reunited after thirty-five years and wrestling a serious case of wanderlust, Lynne and Tim Martin decided to sell their house and possessions and live abroad full-time. They've never looked back. With just two suitcases, two computers, and each other, the Martins embark on a global adventure, taking readers from sky-high pyramids in Mexico to Turkish bazaars to learning the contact sport of Italian grocery shopping. But even as they

embrace their new home-free lifestyle, the Martins grapple with its challenges, including hilarious language barriers, finding financial stability, and missing the family they left behind. Together, they learn how to live a life-and love-without borders. From glittering Georgian mansions in Ireland to the windswept coasts of Portugal, this euphoric, inspiring memoir is more than a tale of second chances. Recently featured on NPR's Here and Now, as well as in the New York Times, Home Sweet Anywhere is a road map for anyone who dreams of turning the idea of life abroad into a reality.

The Kama Sutra, is an ancient Indian text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by the Indian scholar Vatsyayana. A portion of the work consists of practical advice on sex. K ma means sensual or sexual pleasure, and s tra are the guidelines of yoga, the word itself means thread in Sanskrit. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra). Traditionally, the first transmission of Kama Shastra or "Discipline of Kama" is attributed to Nandi the sacred bull, Shiva's doorkeeper, who was moved to sacred utterance by overhearing the lovemaking of the god and his wife Parvati

and later recorded his utterances for the benefit of mankind."

From the #1 New York Times bestselling author of the Shopaholic series comes a terrific blend of comedy, romance, and psychological recovery in a contemporary YA novel sure to inspire and entertain. An anxiety disorder disrupts fourteen-year-old Audrey's daily life. She has been making slow but steady progress with Dr. Sarah, but when Audrey meets Linus, her brother's gaming teammate, she is energized. She connects with him. Audrey can talk through her fears with Linus in a way she's never been able to do with anyone before. As their friendship deepens and her recovery gains momentum, a sweet romantic connection develops, one that helps not just Audrey but also her entire family.

Everybody Needs Courage Gramedia Pustaka Utama

INTERNATIONAL BESTSELLER • Set in eighteenth-century France, the classic novel that provokes a terrifying examination of what happens when one man's indulgence in his greatest passion—his sense of smell—leads to murder. In the slums of eighteenth-century France, the infant Jean-Baptiste Grenouille is born with one sublime gift—an absolute sense of smell. As a boy, he lives to decipher the odors of Paris, and apprentices himself to a prominent perfumer who teaches him the ancient art of mixing precious oils and herbs. But Grenouille's genius is such that he is not satisfied to stop there, and he becomes obsessed with capturing the smells of objects such as brass doorknobs and fresh-cut wood. Then one day he catches a hint of a scent that will drive him on an ever-more-terrifying quest to create the "ultimate perfume"—the scent of a beautiful young virgin. Told with dazzling narrative brilliance, *Perfume* is a hauntingly powerful tale of murder and sensual depravity. Translated from the German by John E. Woods.

"Exotic, entertaining . . . [an] exceptional first novel."—San Francisco Chronicle The year is 1861. After two centuries of isolation, Japan has opened its doors to the West. And as foreign ships threaten to rain destruction on the Shogun's castle in Edo, a small group of American missionaries has arrived to spread the word of their God. They have yet to realize that their future in Japan has already been foreseen. For a young nobleman has dreamt that his life will be saved by an outsider in the New Year. . . and it is said that Lord Genji has the gift of prophecy. What happens next—when the handsome lord meets an apparently reformed gunslinger and a woman in flight from her own destructive beauty—sets the stage for a remarkable adventure. For as this unlikely band embarks on a journey through a landscape bristling with danger, East and West, flesh and spirit, past and future, collide in ways no one—least of all Genji—could have imagined. Praise for *Cloud of Sparrows* "The book seizes you from start to finish."—The Washington Post "Adventure-filled."—Entertainment Weekly "Rich . . . with an ambitious, unexpected ending that cuts deeper than a samurai sword."—San Francisco Chronicle

In the year 1311, in the highest tower of Cloud of Sparrows Castle, a beautiful woman sits by the window, watching as enemies gather below and fires spread through the night. As she calmly awaits her fate, she begins to write, carefully setting down on a scroll the secret history of the Okumichi clan...of the gift of prophecy they share and the extraordinary destiny that awaits them. For six centuries, these remarkable writings lay hidden—until they are uncovered by an American woman, a missionary named Emily Gibson, who arrived in Edo harbor in 1861, in flight from a tragic past. Soon an extraordinary man would enter her life: Lord Genji of the Okumichi clan, a nobleman with a gift of prophecy who must defend his embattled family—and confront forbidden

feelings for an outsider in his midst. Emily, too, soon finds herself at a turning point; courted by two westerners, she knows her heart belongs to the one man she cannot have. But Emily has found a mission of her own: translating Genji's ancestral history, losing herself in an epic tale of heroism and forbidden love. For here is the story of Lady Shizuka, the beautiful witch-princess who has enchanted Okumichi men for generations...of Genji's ancestors, Lord Hironobu and Lord Kiyori, and of the terrible betrayals that befell them...and of Genji's parents: a wastrel father and his child bride whose tragic love has shaped Genji as a leader and as a man. As Emily sifts through the fragile scrolls, she begins to see threads of her own life woven into the ancient writings. And as past and present collide, a hidden history comes to life, and with it a secret prophecy that has been shrouded for centuries, and may now finally be revealed. Takashi Matsuoka's spellbinding novel is infused with spectacle, intricately woven, magically told. *Autumn Bridge* is a feast for the senses, a work of truly dazzling storytelling.

In this exhilarating culinary novel, a woman's road trip through Indonesia becomes a discovery of friendship, self, and other rare delicacies. Aruna is an epidemiologist dedicated to food and avian politics. One is heaven, the other earth. The two passions blend in unexpected ways when Aruna is asked to research a handful of isolated bird flu cases reported across Indonesia. While it's put a crimp in her aunt's West Java farm, and made her own confit de canard highly questionable, the investigation does provide an irresistible opportunity. It's the perfect excuse to get away from corrupt and corrosive Jakarta and explore the spices of the far-flung regions of the islands with her three friends: a celebrity chef, a globe-trotting "foodist," and her coworker Farish. From Medan to Surabaya, Palembang to Pontianak, Aruna and her friends have their fill of local cuisine. With every delicious dish, she discovers there's so much more to food, politics, and friendship. Now, this liberating new perspective on her country--and on her life--will push her to pursue the things she's only dreamed of doing.

Deciding when to work on a relationship and when to walk away is a skill that can prevent us wasting months and even years of our lives on partners that will never make us truly happy. Once we have learned to identify the deal breaker in a relationship we can empower ourselves to action, and then change and improve our lives. Whereas books like 'He's Just Not That Into You' explored relationship troubles in black and white, 'Deal Breakers' covers all the shades of grey that lie in between - all those areas where relationships can hit an impasse. Some deal breakers are easy to identify - one partner wants marriage, the other doesn't - yet many are more subtle and difficult to pinpoint. Dr Bethany Marshall is a relationships expert. She has identified specific male archetypes and the traits that frustrate and infuriate their partners. Here, for the first time in book form, is advice that can help any woman who is trying too hard to make her relationship work.

Benjamin Franklin conceived of it. Sir Arthur Conan Doyle endorsed it. Winston Churchill campaigned for it. Kaiser Wilhelm first employed it. Woodrow Wilson and Franklin Roosevelt went to war with it, and more recently the United States fought an energy crisis with it. For several months every year, for better or worse, daylight savings time affects vast numbers of people throughout the world. And from Ben Franklin's era to today, its story has been an intriguing and sometimes-bizarre amalgam of colorful personalities and serious technical issues, purported costs and perceived benefits, conflicts between interest groups and government policymakers. It impacts diverse and unexpected areas, including agricultural practices, street crime, the reporting of sports scores, traffic accidents, the inheritance rights of twins, and voter turnout. Illustrated with a popular look at science and history, *Seize the Daylight* presents an intriguing and surprisingly entertaining story of our attempt to regulate the sunlight hours.
