Art & Instruction from 80 Colored Pencil Artists Walter Foster Publishing

Learn to draw and paint more than 100 of your favorite everyday items! Step-by-step projects and creative inspiration make it fun and easy. The Inspired Artist series invites art hobbyists and casual art enthusiasts to have fun learning basic art concepts, relaxing into the creative process to make art in a playful, contemporary style. With Draw Every Little Thing, the first book in this new series, you can learn to draw and paint your favorite everyday items. From learning to draw and paint plants, flowers, and bicycles to the neighborhood café and the contents of the kitchen cabinet, this contemporary drawing book demonstrates just how easy it is to render the world around you with little more than a pencil, paper, and paint. Following a brief introduction to the joys of simplistic drawing and painting, this aesthetically pleasing book familiarizes you with a range of drawing tools and materials, including graphite pencil, pen and ink, colored pencil, and gouache, before offering a quick overview of basic color theory. Each subsequent chapter is then devoted to a specific theme—kitchenalia, hobbies, neighborhood haunts, and much more—and packed with simple step-by-step drawing projects. This accessible book encourages you to jump around so you can draw what immediately inspires you. Interactive prompts, creative exercises, and inspiring ideas make the process fun and engaging. Easy techniques and helpful instructions show you how to develop your own

personal style, as well as add color to your drawings using gouache and colored pencil. Crafty projects round out the book, allowing you to use your newfound drawing and painting skills. Filled to the brim with whimsical artwork and loads of creative ideas, Draw Every Little Thing encourages artists of all skill levels to draw any time inspiration strikes.

Strokes of Genius 10 Walter Foster Publishing

A masterclass in producing lifelike animals with colored pencils. Domestic animals are an eternally popular subject for art, and present unique challenges to the artist. Lisa Ann Watkins has made a career of teaching her colored pencil techniques to capture character and realism in her art. * A section on materials covers colored pencils, watercolor pencils (wet and dry), and PanPastels. * A chapter on character shows how to capture the best reference photographs to work from; information on anatomy - eyes, bone structure, fur direction - and notes on tools/apps that can be used to help with tonal values. * Clear simple techniques are then presented through short exercises that focus on a particular technique or effect selected by the author from her experience teaching, such as a cat's eye. * Answer to common technical question from students/followers that cover unique aspects of the medium such as the amount of pressure to use. * A series of step-by-step projects then follows, including cat, dog, donkey and a baby animal.
