Devastated, Caterina journeys to their ancestral vineyard in Montalcino, Italy to claim an inheritance from her grandmother and seize the chance to start a new life.  John Banville's stunning powers of mimicry are brilliantly on display in this engrossing novel, the darkly compelling confession of an improbable murderer. Freddie Montgomery is a highly cultured man, a husband and father living the life of a dissolute exile on a Mediterranean island. When a debt comes due and his wife and child are held as collateral, he returns to Ireland to secure funds. That pursuit leads to murder. And here is his attempt to present evidence, not of his innocence, but of his life, of the events that lead to the murder he committed because he could. Like a hero out of Nabokov or Camus, Montgomery is a chillingly articulate, self-aware, and amoral being, whose humanity is painfully on display.

 In the explosive conclusion to the New York Times bestselling *Charlotte Holmes* series, Holmes and Watson think they're finally in the clear after graduating from Sherringford...but danger awaits in the hallowed halls of Oxford. *Charlotte Holmes* and *Jamie Watson* finally have a chance to start over. With all the freedom their pre-college summer program provides and no one on their tail, the only mystery they need to solve, once and for all, is what they are to each other. But upon their arrival at Oxford, *Charlotte* is immediately drawn into a new case: a series of accidents befell the theater program at Oxford last year, culminating in a young woman going missing on the night of a major performance. The mystery has gone unsolved; the case is cold. And no one—least of all the girl's peculiar, close-knit group of friends—is talking. When *Watson* and *Holmes* join the theater program, the "accidents" start anew, giving them no choice but to throw themselves into the case. But as the complicated lines of friendship, love, and loyalty blur, time is running out—and tragedy waits in the wings.

 Welcome to Kittur, India. It's on India's southwestern coast, bounded by the Arabian Sea to the west and the Kalamma River

to the south and east. It's blessed with rich soil and scenic beauty, and it's been around for centuries. Of its 193,432 residents, only 89 declare themselves to be without religion or caste. And if the characters in *Between the Assassinations* are any indication, Kittur is an extraordinary crossroads of the brightest minds and the poorest morals, the up-and-coming and the downtrodden, and the poets and the prophets of an India that modern literature has rarely addressed. A twelve-year-old boy named Ziauddin, a gofer at a tea shop near the railway station, is enticed into wrongdoing because a fair-skinned stranger treats him with dignity and warmth. George D'Souza, a mosquito-repellent sprayer, elevates himself to gardener and then chauffeur to the lovely, young Mrs. Gomes, and then loses it all when he attempts to be something more. A little girl's first act of love for her father is to beg on the street for money to support his drug habit. A factory owner is forced to choose between buying into underworld economics and blinding his staff or closing up shop. A privileged schoolboy, using his own ties to the Kittur underworld, sets off an explosive in a Jesuit-school classroom in protest against casteism. A childless couple takes refuge in a rapidly diminishing forest on the outskirts of town, feeding a group of "intimates" who visit only to mock them. And the loneliest member of the Marxist-Maoist Party of India falls in love with the one young woman, in the poorest part of town, whom he cannot afford to wed. *Between the Assassinations* showcases the most beloved aspects of Adiga's writing to brilliant effect: the class struggle rendered personal; the fury of the underdog and the fire of the iconoclast; and the prodigiously ambitious narrative talent that has earned Adiga acclaim around the world and comparisons to Gogol, Ellison, Kipling, and Palahniuk. In the words of *The Guardian* (London), "*Between the Assassinations* shows that Adiga...is one of the most important voices to emerge from India in recent years." A blinding, brilliant, and brave mosaic of Indian life as it is lived in a place called Kittur, *Between the Assassinations*, with all the humor, sympathy, and unflinching candor of *The White Tiger*, enlarges our understanding of the world we live in today.

 As it enters its sixtieth year of independence, India stands on the threshold of superpower status. Yet India is strikingly different from all other global colossi. While it is the world's most populous democracy and enjoys the benefits of its internationally competitive high-tech and software industries, India also contends with extremes of poverty, inequality, and political and religious violence. This accessible and vividly written book presents a new interpretation of India's history, focusing particular attention on the impact of British imperialism on Independent India. Maria Misra begins with the rebellion against the British in 1857 and tracks the country's advance to the present day. India's extremes

persist, the author argues, because its politics rest upon a peculiar foundation in which traditional ideas of hierarchy, difference, and privilege coexist to a remarkable degree with modern notions of equality and democracy. The challenge of India's leaders today, as in the last sixty years, is to weave together the disparate threads of the nation's ancient culture, colonial legacy, and modern experience.

A thriller with attitude to spare, *Bangkok 8* is a sexy, razor-edged, often darkly hilarious novel set in one of the world's most exotic cities. Witnessed by a throng of gaping spectators, a charismatic Marine sergeant is murdered under a Bangkok bridge inside a bolted-shut Mercedes Benz. Among the witnesses are the only two cops in the city not on the take, but within moments one is murdered and his partner, Sonchai Jitpleecheep—a devout Buddhist and the son of a Thai bar girl and a long-gone Vietnam War G.I.—is hell-bent on wreaking revenge. On a vigilante mission to capture his partner's murderer, Sonchai is begrudgingly paired with a beautiful FBI agent named Jones and captures her heart in the process. In a city fueled by illicit drugs and infinite corruption, prostitution and priceless art, Sonchai's quest for vengeance takes him into a world much more sinister than he could have ever imagined.

An “urgent and significant book [that] speaks to our times” (The New York Times Book Review) from the bestselling, Man Booker Prize-winning author of *The White Tiger* and *Selection Day* about a young illegal immigrant who must decide whether to report crucial information about a murder—and thereby risk deportation. Danny—formerly Dhananjaya Rajaratnam—is an illegal immigrant in Sydney, Australia, denied refugee status after he fled from Sri Lanka. Working as a cleaner, living out of a grocery storeroom, for three years he's been trying to create a new identity for himself. And now, with his beloved vegan girlfriend, Sonja, with his hidden accent and highlights in his hair, he is as close as he has ever come to living a normal life. But then one morning, Danny learns a female client of his has been murdered. The deed was done with a knife, at a creek he'd been to with her before; and a jacket was left at the scene, which he believes belongs to another of his clients—a doctor with whom Danny knows the woman was having an affair. Suddenly Danny is confronted with a choice: Come forward with his knowledge about the crime and risk being deported? Or say nothing, and let justice go undone? Over the course of this day, evaluating the weight of his past, his dreams for the future, and the unpredictable, often absurd reality of living invisibly and undocumented, he must wrestle with his conscience and decide if a person without rights still has responsibilities. “Searing and inventive,” Amnesty is a timeless and universal story that succeeds at “illuminating the courage of displaced peoples and the cruelties of those who conspire against them” (Star Tribune, Minneapolis).

“The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish.” —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Seminar paper from the year 2016 in the subject American Studies - Literature, grade: 1.0, University of Kassel (Anglistik/Amerikanistik Literaturwissenschaft), course: Visions of India, language: English, abstract: The guiding question of this paper is how Balram justifies his criminal acts and on which moral concept he bases his decisions. In the course of this paper, I will attempt to show that the protagonist is a gritty anti-hero who does not act in accordance to dharma and reinvents his own concept of morality. The first chapter will give a brief explanation of dharma, one of the four purushartas, a significant concept in Indian philosophy, especially in Hinduism when talking about morality. “Dharma is inextricably linked with the ethos of India and the entire personal, social, ecological, and spiritual life is guided by it for ultimate liberation” (Mathew, 2015:131). In the following chapter, the criminal acts committed by the protagonist and the circumstances and reasons leading to it will be analyzed in terms of morality, taking the concept of dharma into consideration. This chapter underlies the difficulty of how to cope with the paradox issue of the protagonist being a murderer and a victim at the same time. Subsequently, the strategies employed by the protagonist to justify his immoral acts will be discussed in detail, attempting to find out how Balram distinguishes between right and wrong. Firstly, the depiction of other humans in the novel will be examined since the narrator strategically portrays them as being immoral and corrupt in order to comparatively put himself on a higher level. Secondly, his heroic self-image will be analyzed, considering his name 'the white tiger'. The third subchapter will focus on how the protagonist employs the metaphor of the rooster coop as a justification for the murder, taking the consequences of the murder into account and discussing Balram's ultimate aims.

The Siege of Krishnapur New York Review of Books

Shifting the postcolonial focus away from the city and towards the village, this book examines the rural as a trope in twentieth-

century South Asian literatures to propose a new literary history based on notions of utopia, dystopia, and heterotopia and how these ideas have circulated in the literary and the cultural imaginaries of the subcontinent.

Last Man in Tower Harper Horizon

Winner of the Man Booker Prize 2008 Meet Balram Halwai, the 'white tiger': servant, philosopher, entrepreneur, murderer Born in a village in the dark heart of India, the son of a rickshaw puller, Balram is taken out of school and put to work in a teashop. As he crushes coal and wipes tables, he nurses a dream of escape. His big chance comes when a rich landlord hires him as a chauffeur for his son, daughter-in-law, and their two Pomeranian dogs. From behind the wheels of a Honda, Balram sees Delhi and begins to see how the Tiger might escape his cage. For surely any successful man must spill a little blood on his way to the top? The *White Tiger* is a tale of two Indias. Balram's journey from the darkness of village life to the light of entrepreneurial success is utterly amoral, brilliantly irreverent, deeply endearing and altogether unforgettable.

The magnificent new novel from the million-selling Booker Prize-winning author of *The White Tiger*: one of the most eagerly anticipated literary novels of 2011—"a kaleidoscopic portrait of a changing Mumbai." — Guardian (Best Books of 2011) Ask any Bombaywallah about Vishram Society--Tower A of the Vishram Co-operative Housing Society--and you will be told that it is unimpeachably pucca. Despite its location close to the airport, under the flight path of 747s and bordered by slums, it has been pucca for some fifty years. But Bombay has changed in half a century--not least its name--and the world in which Tower A was first built is giving way to a new city; a Mumbai of development and new money; of wealthy Indians returning with fortunes made abroad. When real estate developer Dharmen Shah offers to buy out the residents of Vishram Society, planning to use the site to build a luxury apartment complex, his offer is more than generous. Initially, though, not everyone wants to leave; many of the residents have lived in Vishram for years, and many of them are no longer young. But none can benefit from the offer unless all agree to sell. As tensions rise among the once civil neighbours, one by one those who oppose the offer give way to the majority, until only one man stands in Shah's way: Masterji, a retired schoolteacher, once the most respected man in the building. Shah is a dangerous man to refuse, but as the demolition deadline looms, Masterji's neighbours--friends who have become enemies, acquaintances turned co-conspirators--may stop at nothing to score their payday. A suspense-filled story of money and power, luxury and deprivation, and a rich tapestry peopled by unforgettable characters, not least of which is Bombay itself, *Last Man in Tower* opens up the hearts and minds of the inhabitants of a great city--ordinary people pushed to their limits in a place that knows none. This eBook edition includes a Reading Group Guide. *The Mistakes I Never Forget* Simon and Schuster
The present book offers varied interpretations of the novel by eminent Indian critics and is a welcome addition to the fast-growing corpus of Indian English fiction.
