The Murder on the Links Collins

This collector's edition comprises the first five episodes of the popular "Baumgartner & Momsen" crime and mystery series for intermediate and advanced German learners: Mord am Morgen, Die Dritte Hand, Des Spielers Tod, Zum Bärenhaus

and Heidis Frühstück. Harald Baumgartner is a grumpy old-fashioned flatfoot with an infallible instinct for catching killers, Katharina Momsen is a sassy sleuth and a cold sober markswoman. Together they are "Baumgartner & Momsen", the quirky but effective team feared by crooks and criminals everywhere. Each story invites readers to help solve a crime and pick up

important German vocabulary along the way. At the end of every chapter relevant words are translated into English, followed by short text-comprehension questions. (The correct answers can be found at the end of each story in the Answer Key section.) While the stories themselves are primarily aimed at creating an immersive and entertaining reading experience for German learners, the language is specially designed to familiarize readers with unique forms of spoken German with a special emphasis on dialogue and common idiomatic phrases.

The Murder on the Links is Agatha

Christie's second Poirot novel, featuring the brilliant Belgian detective and his sidekick, Captain Hastings. In this characteristic whodunit, Poirot is summoned to a seaside town in northern France by a desperate letter from a rich businessman, who fears that he is being stalked. Poirot arrives to find the businessman already dead, his body lying facedown in an open grave on a golf course, a knife in his back—the victim of a mysterious murder. Over the coming days Poirot clashes wits with an arrogant Parisian detective, Giraud, while Hastings finds himself pining after a beautiful but shadowy American expatriate known to him only as “Cinderella.” Together, Poirot and Hastings unravel the intricate web of mystery and deceit behind the murder. Christie based this mystery after a real-life French murder case, and it's believed that this is the first detective novel to use the phrase “the scene of the crime.” This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Learn German Createspace Independent Publishing Platform Although Mann is considered to be a deeply German writer, at the time that he began writing, Germany itself was fairly new to the world. When *Death in Venice* was published in 1912, a unified Germany had existed for a mere 41 years. Although Mann moved to Munich after high school, he was always aware of being North German and felt his more somber and serious artistic sense put him at odds with other artists in Munich. The connection between Germany and Italy in his work

has clear political relevance, as the two countries unified their fragmented areas to become nations at similar points of time in history (King Victor Emmanuel began to rule over a unified Italy in 1861). Mann wrote in the context of a number of literary styles. At the turn of the century, Naturalism reigned, and Mann sought to differentiate himself from writers such as Zola and Ibsen who faithfully transcribed even the most minute concrete details of daily life. In contrast to naturalist writers, Mann's precision is psychological, rather than physical. Specifically, Mann was influenced by other European masters including Tolstoy, whose epic sweep he admired, and Flaubert, whose labor over each and every sentence he emulated. Mann was also deeply indebted to the philosophy of Nietzsche, whose skeptical mode of analysis he adopted. Nietzsche claimed to be a great authority on the subject of decadence, and Mann's works focus almost exclusively on this topic, along with degeneracy and the decline of greatness.

[A Kayankaya Thriller \(3\)](#) Clemens & Blair, LLC

As a young man, Gerhard Self served as a Nazi prosecutor. After the war he was barred from the judicial system and so became a private investigator. He has never, however, forgotten his complicity in evil. Hired by a childhood friend, the aging Self searches for a prankish hacker who's invaded the computer system of a Rhineland chemical plant. But his investigation leads to murder, and from there to the charnel house of Germany's past, where the secrets of powerful corporations lie among the bones of numberless dead. What ensues is a taut, psychologically complex, and densely atmospheric moral thriller featuring a shrewd, self-mocking protagonist.

An essential work of the cinematic history of the Weimar Republic by a leading figure of film criticism First published in 1947, *From Caligari to Hitler* remains an undisputed landmark study of the rich cinematic history of the Weimar Republic. Prominent film critic Siegfried Kracauer examines German society from 1921 to 1933, in light of such movies as *The Cabinet of Dr. Caligari*, *M*, *Metropolis*, and *The Blue Angel*. He explores the connections among film aesthetics, the prevailing psychological state of Germans in the Weimar era, and the evolving social and political reality of the time. Kracauer makes a startling (and still controversial) claim: films as popular art provide insight

into the unconscious motivations and fantasies of a nation. With a critical introduction by Leonardo Quaresima which provides context for Kracauer's scholarship and his contributions to film studies, this Princeton Classics edition makes an influential work available to new generations of cinema enthusiasts.

Murder in Mesopotamia Purdue University Press

A witty philosophical murder mystery with a charming twist: the crack detectives are sheep determined to discover who killed their beloved shepherd. On a hillside near the cozy Irish village of Glennkill, a flock of sheep gathers around their shepherd, George, whose body lies pinned to the ground with a spade. George has cared devotedly for the flock, even reading them books every night. Led by Miss Maple, the smartest sheep in Glennkill (and possibly the world), they set out to find George's killer. The A-team of investigators includes Othello, the "bad-boy" black ram; Mopple the Whale, a Merino who eats a lot and remembers everything; and Zora, a pensive black-faced ewe with a weakness for abysses. Joined by other members of the richly talented flock, they engage in

nightlong discussions about the crime, wild metaphysical speculations, and embark on reconnaissance missions into the village, where they encounter some likely suspects. Along the way, the sheep confront their own all-too-human struggles with guilt, misdeeds, and unrequited love. Funny, fresh, and endearing, it introduces a wonderful new breed of detectives to Canadian readers.

The Future of the German-Jewish Past Princeton University Press

A companion to contemporary German crime fiction for English-speaking audiences is overdue. Starting with the earlier Swiss "classics" Glauser and Dürrenmatt and including a number of important Austrian authors, such as Wolf Haas and Heinrich Steinfest, this volume will cover the essential writers, genres, and themes of crime fiction written in German. Where necessary and appropriate, crime fiction in media other than writing (TV-series, movies) will be

included. Contemporary social and political developments, such as gender issues, life in a multicultural society, and the afterlife of German fascism today, play a crucial role in much of recent German crime fiction. A number of contributions to this volume will comment on the literary reflection of these issues in the texts. The goal of the volume is to make available to English-speaking audiences, to students, teachers and to a wider circle of interested readers, a series of articles on genres, topics, authors, and texts that will help them understand the scope and depth of German crime fiction, its ties to international traditions and also the specificity of the German context, its historical development and contemporary situation.

She's Building a Robot Melville House NATIONAL BESTSELLER • "Flavia is incisive, cutting and hilarious . . . one of the most remarkable creations in recent literature."—USA Today Flavia de Luce, a dangerously smart eleven-year-old with a passion for chemistry and a genius for solving murders, thinks that her days of crime-solving in the bucolic English hamlet of Bishop's Lacey are over—until beloved

puppeteer Rupert Porson has his own strings sizzled in an unfortunate rendezvous with electricity. But who'd do such a thing, and why? Does the madwoman who lives in Gibbet Wood know more than she's letting on? What about Porson's charming but erratic assistant? All clues point toward a suspicious death years earlier and a case the local constables can't solve—without Flavia's help. But in getting so close to who's secretly pulling the strings of this dance of death, has our precocious heroine finally gotten in way over her head? **BONUS:** This edition includes an excerpt from Alan Bradley's *A Red Herring*

Without Mustard, discussion questions, and an essay by the author.

“Kemal Kayankaya is the ultimate outsider among hard-boiled private eyes.”

—Marilyn Stasio, *The New York Times* Book Review **OVER 1 MILLION COPIES SOLD WORLDWIDE** To rescue a kidnapped prostitute, Kemal Kayankaya must face some of Germany's most depraved and dangerous criminals. Fortunately, some of them are his friends... Love is never easy—especially when your girlfriend is an illegal Thai prostitute who has been kidnapped (again) by a gang of sex traffickers. Fortunately for the hapless fiancé, wisecracking gumshoe Kemal

Kayankaya is on the case. The son of a Turkish garbage collector, he knows a thing or two about living in the ethnic fringes of the ugliest German city of them all: Frankfurt. Kayankaya plunges into the city's underbelly, where the police don't care if you live or die, and the powerful view an illegal alien as just another paycheck. *One Man, One Murder* populates its pages with unforgettable characters, whip-smart dialogue, and a connoisseur's collection of grim details. But it is Arjouni's dead-on description of contemporary Europe's racial politics, vacuous nationalism, and social injustice that make his novels rise above the rest.
