King James Version History: In 1604, King James I of England authorized that a new translation of the Bible into English be started. It was finished in 1611, just 85 years after the first translation of the New Testament into English appeared (Tyndale, 1526). The 1611 King James Bible is described as one of the most important publications in history. King James I of England gathered the greatest religious scholars and linguists together for a new Bible translation in order to establish the most accurate and most

dignified English translation to date. He appointed 54 scholars to work on the translation. The 1525 Geneva Bible served as a point of comparison from which some of the 1611 King James Bible text was based. The Authorized Version, or King James Version, quickly became the standard for English speakers. Its flowing language and prose rhythm has had a profound influence on the literature of the past 400 years.. In the last 400 years, the King James version has made a tremendous impact on society, with its inspirational words that have not only encouraged numerous hearts and minds, but has offered hope for eternal life. Modern English (1500-modern day) reached its summit in the period of the translation of the famous King James Bible and the literary works of William Shakespeare. The powerful and universal influence of English culture developed under Queen Elizabeth I (sixteenth century) and sustained by King James I now had a Bible in English. The stage was set for the massive printing of an English Bible. There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

Bhagavad Geeta St. Francis of Assisi Books

In this addition to the award-winning BECNT series, a respected New Testament scholar offers a substantive evangelical commentary on 2 Corinthians. George Guthrie leads readers through the intricacies of literary structure, word meanings, cultural

backdrop, and theological proclamation, offering insights applicable to modern ministry contexts. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text; extensive research; thoughtful, chapter-by-chapter exegesis; and an acclaimed, user-friendly design. It admirably achieves the dual aims of the series--academic sophistication with pastoral sensitivity and accessibility--making it a useful tool for pastors, church leaders, students, and teachers.

My Book of Bible Stories InterVarsity Press

God's Word, Biggest Dilemma & Challenge of Your Life. Why? Believe it or not, the basis of your thinking and convictions is at stake. The opening statement of God's Word poses a preposterous predicament. "In the beginning God created the heaven and the earth" Is it foolish or not? John, the Apostle, links this statement directly to

Jesus Christ, "In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him;" (John 1:1-4). Can you believe in Christ and not the Creation? How do we resolve this issue? I never intended to write Evidence for Bible Wisdom. It started in September 2020, during the pandemic, with a blog post about Covid-19 and Quarantine. The reason was the lack of literature referring to God's Word about this subject. I immediately began writing on various difficult-to-explain subjects in the Bible readers trip over in their quest for understanding. This book is a beginning effort to help seekers of understanding find some solid evidence in favor of God and the Bible. Bible wisdom is God's wisdom in God's Word. Most readers consider humans to be authors of the Bible. Consider this. If God is an All-Powerful Being, then He can inspire His Words, preserve and transmit those same Words down through time to reach us today. Most people have difficulty with that statement, that's the reason I wrote this book. It's not about religion, doctrine, Church orientation, or specific beliefs you must have to be in some faith. It is evidence there is wisdom in God's Word, far beyond what the human mind can conceive. It's rules, principles, wise guidance relevant to living in the 21st century to make you a better individual and to establish a more cohesive community. A primary almost unknown role of the Bible is God addresses His Word to ALL nations, worldwide. All humans are ONE race, one blood, one body, one mind... one set of rules applies to one set of people. Practical Bible wisdom has nothing to do with such cultural, scientific, and informational aspects related to nations

and times, be they 1000, or 6000 years ago. Men, women, and children at all times in the history of humankind were identical to the 21st century. The Explanation is not here to skirt issues but give you answers to the big question in life. You'll learn How to Govern a Country Responsibly. The role of leaders and followers. Is there conclusive evidence for God? The meaning of living soul-nefesh chaya, what a human being is. Why light occurred on the first day while the sun and moon apparently appear on the fourth day. The principal theme of this book is Bible relevance in the 21st century. There are clear principles for handling older people, agriculture, justice, and questions about suffering. Does God condone slavery and order the wholesale killing of entire nations? What about individual and community rights in a liberal society? Practical solutions for today for all of humankind. Evidence for Bible Wisdom reveals the Bible assembles the overall puzzle of the entire story of humankind. It transcends individual points for a global view, what The Explanation calls a Godview. True theology, looking at it through God's eyes. You're a seeker of truth, and this book will put you on the right track.

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and

eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Crazy Love Wm. B. Eerdmans Publishing

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything.
